

AMENDEMENTS OF THE PCT DESCRIPTION**AMENDEMENT OF THE TITLE**

To answer to the Opinion of the Administration of the International Search Report, I have restricted the invention to only an autonomous machine, eventually in relation with other autonomous machines.

" SYSTEM " is replaced by " AUTONOMOUS MACHINE "

AMENDEMENTS OF THE DESCRIPTION

Page 1, ligne 31 :

In paragraph title " **Response of the invention to the posed problem** "

"posed" is replaced by " piracy "

The paragraph title become

" **Response of the invention to the piracy problem** "

Page 2, lines 1 and 2-of the translation, cancellation of " or by data located on a distant data storage 6a connected by a suitable connection 18 "

Page 3, lines 1 to 4 of the translation, cancellation of items 21 and 22, these items being not in the " description " of the PCT text.

AMENDEMENT OF THE PCT CLAIMS

Boxes 7 and 8 of the TRANSMITTAL LETTER TO THE UNITED STATES

The PCT claims have never been amended.

This amendment is the first amendment of the PCT claims as filed.

The original claims PCT as filed are the claims of the " **PCT text English translation** ", document (DI20051205), page 4.

The claims filed in the United States are page 4 of the present **US application**.

The two pages 4 are annexed, with cover "Amendements of the PCT claims ".

In Claims 1, in the " characterized ", the words " from outer " has been used to specify that the " creator" is present in front of the machine, as it appears in the drawing.
